

## REMARKS

Applicants have canceled the claims allowed in the parent application of which the present application is a continuation.

The claims currently in this application include original Claims 8 to 11 wherein Claim 8 has been redrafted in independent form to incorporate the limitations of cancelled Claim 1 from which that claim originally depended. In addition, Claims 2 and 3, which represent preferred embodiments of the compound of original Claim 1, have been retained, albeit their subject matter and dependency has been amended to properly depend from Claim 8.

Prompt examination, followed by Notice of Allowance of the present application, is respectfully solicited.

Respectfully submitted,
